Egg Carton Caterpillar

Materials:

- 1 row of an egg carton
- pipe cleaner, google eyes, and other embellishments.
- 1 sheet construction paper
- green poster paint and brush
- white glue
- scissors

Directions:

1. Paint egg carton row with green paint. Allow to dry.
2. Cut 12 identical feet from construction paper.
3. Glue feet and other embellishments onto painted carton, using materials such as felt, pipe cleaners, pom-pom balls, or google eyes.
