## Springtime Wheelbarrow

### Materials:

- 1 powder detergent or comparable plastic scooper.
- 2 milk jug caps
- 1 bulb flower, or dirt and seeds
- stickers, foam decals, or other decorative elements
- glue

### Directions:

1. Glue milk jug caps onto side of scooper to create the "wheels" of the wheelbarrow.
2. Adhere decals or other decorative elements and allow to dry.
3. Plant bulbs or seeds in the scoop.

Enjoy!
